Product Description AWNET SCHOOL APP (ASA)

AWNET ENTERPRISE has deemed it very necessary to improve the lives of school administrators and proprietors worldwide by developing Portal software for school management and administration. It is called AWNET School App (**ASA**).

We wish to mention that one of our clients, a major player in the education sector in the country - **NOSAKHARE MODEL EDUCATION CENTRE (NOMECE) in Benin City, Edo State**, is happy as she has incorporated the online Software in her school administration and management (www.nosakhare.com/management-portal). Your institution also can join the growing enviable list.
